

Counseling Services of Portland

Hello and thanks for contacting me! You'll find my Eastside office at **12132 SE Foster Place**:

Directions Via the Freeway System to Foster Road

- Get to I-205 from I-84, or I-5 and then take I-205
- From I-205 take **exit 17 to Foster Road**.
- Turn East **onto Foster Road**. You'll be going east on Foster Road toward Mt. Hood.
- Drive about 1 mile to the light at 122nd

Directions via Powell Blvd to Foster Rd

- From the West side, take Hwy 26 to 405
- Take the exit for Powell Blvd /Ross Island Bridge and follow the signs (though it's a very short distance, you will actually exit onto Broadway, curve quickly onto 5th, then turn onto Sheridan, 3rd and then Naito Parkway. But you won't notice many street signs since it's only a few blocks at most.)
- Once across the bridge, follow **Powell Blvd to the light at 50th**, where Foster starts. Bear right onto Foster. You'll drive about 7 minutes to the light at 122nd

From 122nd and Foster Road

- Turn right or South onto 122nd. You'll go around a sharp curve and **bare right onto Foster Place. You're there!**
- **Google and Apple maps may show that the road is closed**, but just **ignore** that. The bridge below is closed but the road is clear and open to my home office. You'll see signs on the road saying the bridge / road is closed. But just come right through!
- It's the **first house on the left** once you're on Foster Place. You'll see a large gravel parking area next to the driveway. Inside the yard you'll see a huge maple tree with a garden flag. The house is a golden ochre color with brick accents.
- Please **park in the gravel area outside the driveway** so my husband can get in and out of the driveway. **Please do not park across the street on the North side of the street in front of the peach colored house or the whitish one next to it. The neighbors use this space for their own cars.**
- Then just **walk down the concrete sidewalk next to the hedge** that leads back into the trees. It parallels the street.
- You'll **walk down a set of rock slab stairs** that curve down to the patio where you'll see a sign that says **"Waiting Room."** I will be with another client, so just walk across the patio and have a seat in the waiting room. I'll be with you in a few minutes. Take a moment to relax. Breathe the fresh air, and enjoy the forest view in the Johnson Creek Watershed. See how many sculptures you can spot while you're waiting!

Here's a link to a google map:
